GREETINGS OF PUBLIC AND INVITATION FOR DISCUSSION

Mayor Druetzler opened this portion of the meeting to comments from the public.

Mr. Tom Smith, 33 Stiles Avenue, Morris Plains, raised the subject of existing zoning violations at the Quick Chek store in Morris Plains. He has raised these violations with both the Zoning Officer and the Borough Engineer. Both agree there are massive changes to the plan(s) without any variances to Quick Chek; however, they have decided to take no action at this time. As a result, he is at this meeting and will now need to sign his own zoning complaints and deliver them to the Court, wasting the Court's time in Morris Plains. He is questioning why he must do this when he is a citizen and taxpayer of the Borough of Morris Plains. These violations have existed since 2006 and many others have complained with no action having been taken.

Mayor Druetzler stated he spoke with the Zoning Officer, Don Salerno, who advised him that in his eight years in the position of Zoning Officer he has only recently heard complaints about Quick Chek. He further advised that there are some changes in the site plan and that it has been very difficult to locate documentation regarding whether there were approvals – there have been many Zoning Officers over the past 40 years. He does not know what may have happened here over the years.

Continuing, Mayor Druetzler stated it is his understanding that if there is an application before a Board, it is not correct to take action. He said this is the opinion of the Borough Attorney.

Ms. Fraser stated that, yes, this is her opinion. Under the Municipal Land Use Law those provisions for taking an appeal from a Zoning Officer's decision and that any action be stayed if there is an application pending before either of the Boards. It is her understanding that the application currently before the Board will result in major alterations of the existing site plan and this is her opinion. She advised the Mayor that in her view as the Borough Attorney it would be inappropriate to pursue those violations in light of the pending application before the Board. This is her opinion.

Mr. Smith had asked a question relating the situation to if the Applicant is not seeking relief for said specific violations in the application before the Board. He said he understood Ms. Fraser's position and that it would be up to a judge to decide.

Ms. Meredith Zweimueller, 8 Stiles Avenue, Morris Plains, stated she is at this meeting tonight to address her discussions with the Zoning Officer in the past relating to ordinances such as for noise, deliveries and other issues. She is a very close neighbor to Quick Chek. She advised of two deliveries within the past week that occurred before 6:00 a.m. One truck pulled into the correct unloading portion as indicated in the original plan on the far side of the building on West Hanover Avenue, but the second truck was

a large 18-wheeler and it blocked the sidewalk and stayed parked for almost one hour. She also commented on “quiet hours.”

Mayor Druetzler advised he has not located any resolution in connection with Quick Chek that states when deliveries can and cannot be made. He does not believe there are any Borough ordinances that limit deliveries timeframes to specific timeframes. There are ordinances that limit construction work timeframes.

Ms. Fraser stated there is a noise ordinance; she does not recall the exact details. She said there probably are limitations on construction work timeframes, including construction equipment. She recommended that Ms. Zweimueller appear before the Planning Board and request that such a condition (requiring quiet hours) be imposed on any approval the Planning Board may consider granting.

Ms. Zweimueller stated that unless one lives on Stiles Avenue or on Maple Avenue you cannot know what the traffic is like. The residents just want to have some peace and quiet.

Councilmember Cecala advised he lives on West Hanover Avenue (six houses from Quick Chek), and he commented on police car, fire trucks, and truck in general. He said he feels her pain and knows what she is talking about.

Ms. Zweimueller advised she has been attending the Planning Board meetings regularly to hear the Quick Chek application discussed and that she does not even own property, but rents. She mentioned parking spaces and the need for a lighting shield to be installed in the past. She also raised the matter of the lacking of enforcement regarding the parking hours.

Mayor Druetzler advised that the police are developing a plan to address the issues relating to on-street parking in this area.

Mr. Nick Summa, 48 Maple Avenue, Morris Plains, asked if this was an appropriate venue in which to raise concerns about the process Quick Chek is doing since they are not present. He stated an objection relating to the most recent Planning Board meeting in that the Applicant did not appear, the Board allowed the application to be carried to the next Board meeting, and that no one from the Borough took any time to advise the residents that this had occurred.

Mayor Druetzler stated this is essentially the same situation as the questions/discussions that occurred at the last Planning Board meeting when the Applicant was carried. He believes the Planning Board attempted to not answer too many questions.

Ms. Fraser cautioned that anything said at this meeting will not be relayed to the Planning Board. His concerns must be expressed directly to the Planning Board.

Mr. Summa asked if anything can be done with the way that tractor trailer trucks park at Quick Chek. They are parked in the middle of the sidewalk, and he has safety concerns when walking with his 3 and 4 year-old children. This presents a dangerous situation to everyone who must go around these trucks. The delivery vehicles being used by Quick Chek are too large for the site. It is a dangerous situation and must be addressed now before the expansion. He raised other safety concerns and quality of life concerns.

Cross discussion about whether the limit on idling time applies also to commercial vehicles, including that this might be able to help with some of these situations, that Quick Chek does not really appear to care about the residents or the community nor have respect for either, information on the Quick Chek website, attitudes toward business and expansion of businesses,

Mayor Druetzler asked if anyone else wished to address the Governing Body. Hearing no one, he closed this portion of the meeting to the public.

Mayor Druetzler commented on issues relating to the Quick Chek application and that he and the various municipal departments are trying to identify strong resolutions to the residents' concerns.

REPORTS OF COMMITTEES AND/OR DEPARTMENT HEADS

Finance

Councilmember Karr reported on the changeover to the new website. The bad news is that it was hacked once again; the provider repaired this at no cost to the Borough. A back-up person is being sought for E-mail alerts in the absence of the webmaster. There have also been some problems with the e-mails.

Mayor Druetzler stated that the suggestion made to alert possible attendees when an Applicant is not going to be present at a meeting such as Monday's Planning Board meeting was a good one. He believes it is worth looking into how such a notice system could be installed.

Public Safety

Councilmember McCluskey advised there are two new officers – Chris Cornine and Michael Kelly – who graduated from the Police Academy last Thursday. The Tri Morris Junior Police Academy has its first meeting with parents on June 11th 2013. There are 14 boys and 14 girls, eighth graders only, runs from July 8th to July 19th 2013, and there is one Morris Plains resident who is registered. This program will also take place in Morris Township. She provided details on who will serve as instructors. The Farmers Market opened on Saturday, June 15th 2013, and there were 19 dogs in the Pet Parade and nearly \$1,000 was raised for the Denville Animal Shelter. Also, one cat was adopted at this event. There will a blood pressure screening event from Family First Home Care this week.

Police Chief Thompson advised that new generators were received from the County (OEM); he provided details about this equipment. The Borough is on a list to obtain several more generators. Such generators could be used to back up emergency medical at their house if the power was down. He would also like to explore if several Borough traffic lights can be equipped with a switch to allow a generator to be plugged in if needed. He explained other possible uses for these generators. He will work with the Department of Public Works (DPW) and the fire department on how best to have these generators ready for transport to where they are needed.

Public Works

Councilmember Cecala advised he will use a report received from the DPW superintendent. The DPW has been cleaning out catch basins from all the rain lately and issues related to brush getting into the catch basin. Family Day will held on Saturday, June 29th 2013. He has been in contact with police and fire departments in connection with the fireworks display. Cedar Knolls fire department will also be notified of the fireworks so they will be involved and ready (for Peach Drive residents).

The Borough Engineer reported on the contract with Haskell Paving for streets and sidewalks, stating work will begin on Monday on Maple Avenue. The Maple Avenue work will most likely take about eight days to complete. A subcontractor will come in on Wednesday to begin work on the Watnong Drive sidewalk; this will take about four-five days. Overall, the project will take about four weeks/20 work days. He will be attending a pre-construction meeting next week relating to the Speedwell Avenue improvements; these will probably start in the third or fourth week in July. He expects this improvement work should take five or six days. Coty Cosmetics on The American Road (Building 500) began their site work this past Monday. He has spoken with both the general contractor and subcontractor; they both believe the sidewalk will be completed in two to three weeks.

Public Buildings & Grounds

Councilmember Fu presented her report. This is a very busy time for the Recreation Commission, including summer camp staff orientation; both the K through 5 camp and the Teen Center camp will begin next Monday, June 24th. She provided highlights of her meetings with leadership staff for both the camps and the Borough school district. The Community Park Pool will open on Saturday, June 22nd for the season. Family Day is on Saturday, June 29th at Community Park and will begin at 5:00 p.m. with the fireworks set to begin at 9:30 p.m. The Summer Concert Series will run through the month of July on Sunday evenings.

Continuing, Councilmember Fu commented on the activities of the Shade Tree Commission, stating they have until October 2014 to complete the Borough's Community Forestry Management Plan.

Mayor Druetzler commented that the funds for the development of this Plan comes from a State grant. The Borough will receive 400 free trees for planting over several years in connection with funds provided by the State. He also thanked Councilmember Fu for her dedication and effort to completing the required work needed in order to pursue this funding.

Public Welfare, Sanitation & Sewers

Mayor Druetzler asked if anyone will report in Councilmember Mangravite's absence. He believes everything is satisfactory.

Ordinance & Public Utilities

Councilmember Coogan commented that Verizon has still not stopped adding sales and federal tax to some of the accounts; most are cleared up and additional paperwork was forwarded in an attempt to completely resolve this issue. Most of the electrical bills have been switched over to the new electrical energy supplier resulting in roughly a 12 percent reduction in cost. However, several accounts must still be changed over; he has sent an e-mail advising of the need for this to be done. Sustainable New Jersey was contacted regarding a gas auction. The Borough will be placed on a list until there is a sufficient number of municipalities; this could bring in a 12 percent reduction in the Borough's natural gas bills.

Continuing, Councilmember Coogan advised the Beautification Committee met recently and a member of the Garden Club (Kathy Kelly) stated they received a \$500 grant for flower bulbs. Ms. Kelly asked the Committee for suggestions as to where to plant these bulbs. The bulbs may be daffodils. He believes they will plant the bulbs at Simons Park near the snack bar and at the Borough Hall/Police Station. A \$500 check was received by the Committee from Johnson & Johnson in honor of Earth Day; this funding will go toward replanting at the front of the Borough Hall.

PRESENTATION OF COMMUNICATION, PETITIONS, ETC.

Mayor Druetzler opened the meeting to the public. Hearing no one, Mayor Druetzler closed the public hearing.

INTRODUCTION OF ORDINANCES

Councilmember Coogan introduced the following ordinance and read the same by title and moved that it be passed on First Reading.

ORDINANCE NO. 7-2013

ORDINANCE PROVIDING FOR THE PARTIAL AMENDMENT, SUPPLEMENTATION AND REPEAL OF CERTAIN FEES SET FORTH IN THE FEE SCHEDULE OF THE BOROUGH OF MORRIS PLAINS, CHAPTER 2, SECTION 2-46 AND A REVISED ORDINANCE OF THE BOROUGH OF MORRIS PLAINS, NEW JERSEY, 1972.

Councilmember McCluskey seconded the motion.

Mayor Druetzler stated this is a housekeeping measure to correct a duplicative situation.

Thereupon, Councilmember Coogan offered the following resolution:

WHEREAS, the above ordinance was introduced and read by title at this meeting on June 20th 2013 and passed on First Reading.

NOW, THEREFORE, BE IT RESOLVED at a meeting to be held on July 18th 2013 at 8:30 PM prevailing time in the Municipal Building in the said Borough, this Council will further consider for Second Reading and final passage of said ordinance.

AND BE IT FURTHER RESOLVED that the Clerk of this Borough be and she is hereby directed to publish and mail the proper notice thereof, including the ordinance, post the ordinance on the Bulletin Board in the Municipal Building and make copies available to members of the general public.

Councilmember Karr seconded the resolution. All in favor.

ORDINANCES ON SECOND READING

Councilmember Coogan read by title the ordinance entitled:

ORDINANCE NO. 6-2013

BOND ORDINANCE APPROPRIATING \$216,000 AUTHORIZING ISSUANCE OF \$205,300 BONDS OR NOTES OF THE BOROUGH FOR VARIOUS IMPROVEMENTS OR PURPOSES AUTHORIZED TO BE UNDERTAKEN BY THE BOROUGH OF MORRIS PLAINS, IN THE COUNTY OF MORRIS, NEW JERSEY.

which ordinance was introduced and passed on first reading at a meeting held on May 16th 2013.

The Clerk read the following notice:

Notice is hereby given that the following ordinance was submitted in writing at a meeting of the Mayor and Borough Council of the Borough of Morris Plains on May 16th 2013, introduced and read by title and passed on first reading, and that the said Governing Body will further consider the same for second reading and final passage thereof at a

regular meeting beginning at 8:30 P.M., on June 20th 2013 at the Borough Hall, 531 Speedwell Avenue, Morris Plains, New Jersey, in said Borough at which time and place a public hearing will be held thereon by the Governing Body and all parties in interest and citizens and all persons shall have an opportunity to be heard concerning said ordinance.

Councilmember Coogan read the following notice and ordinance by title and stated that the Notice and Ordinance had been published as required by law that the ordinance had been posted on the bulletin board in the Municipal Building and that copies had been made available to members of the general public.

Mayor Druetzler announced that the meeting is open for a public hearing on the ordinance and stated that any taxpayer of the Borough of Morris Plains and all parties and persons in interest and citizens may be heard. He advised this funding will provide funds for equipment for the Police and Fire Departments, an upgraded generator for the Borough Hall and also roof replacement. Seeing no one, Mayor Druetzler closed the Public Hearing.

Thereupon Councilmember Coogan offered the following Resolution and moved its adoption:

RESOLVED, that the above ordinance as read by title on Second Reading, at this meeting, be adopted and finally passed.

Councilmember McCluskey seconded the motion.

Mayor Druetzler ordered the Clerk to call the roll on the passage thereof and the vote was as follows:
