DWDG Project # 20155

Dear Ms. Coffey:

In response to the Anderson & Denzler Associates, Inc. Mr. Hall's April 14, 2021, letter regarding the Soil Disturbance Permit Application comments made by Mr. Hall I offer the following:

1. The applicant has paid the \$100 application fee and the \$1000 escrow fee.
2. The form will be dated, and the additional data provided pending an approval of the current planning board application and prior to any soil disturbance activities occurring on site.
3. Under the Submittal Checklist
 - a. It is the applicant's intent to move the soil out of Morris Plains.
 - b. Required Information per 19-3
 - (f) The volume of material to be removed from the property is 375 cubic yards or approximately 18 to 23 truckloads.
 - (i) The destination has not yet been determined. This information will be provided prior to any soil disturbance activities on site.
 - (j) All exportation activities will follow industry standards and every effort will be made to prevent road damage and traffic interruption.

- (o) Certification from the Morris County Soil Conservation District will be provided as required.

I believe that these are the only outstanding Items relating to completeness. We look forward to discussing the application at the upcoming hearing.

Yours truly,
