Morris Plains NJ 07950

Re: Wetlands Inspection
7 Carlyle Ave
Block 37, Lot 7

Dear Howard:

On March 6, 2020 we inspected the subject property and adjacent properties for the presents of wetlands or wetlands buffers. Based on our inspection there are no wetlands or wetlands buffers are on the subject property or within 200 ft of the property.

If you require anything further, please call.

Very truly yours
