

## **M&M AT MORRIS PLAINS, LLC RECYCLING PLAN**

January 21, 2021

M&M at Morris Plains will utilize trash and recycling rooms on each floor of the residential buildings. The materials will be deposited in containers by tenants and consolidated on the ground floor by M&M maintenance personnel and prepared for collection by an approved recycling collection entity for Morris Plains.

The in-building areas will be sized appropriately for the size of each building and provide separation for trash and recycling as appropriate. For 1 Adams Avenue, containers will be provided for cardboard and for mixed recycling to account for the increased volume of cardboard due to increased shipping to residences.

Likewise, the external facility on Adams Avenue is increased in size to 10' by 30' to accommodate three containers, 1 for trash, 1 for cardboard and 1 for mixed recycling. The expected recycling Collector will be Evergreen Disposal, 110 Evergreen Ave, Newark, NJ 07114. The materials will be taken to County facilities as required. The collection in the buildings will be daily, the external facility will be as required, but expected to be a minimum of 3 x per week.

The recycling information for material collection is attached and identical to prior approvals.

Should you have any questions or require any additional information, please contact the undersigned at 732-421-5675 or [jtaikina@mmrealtypartners.com](mailto:jtaikina@mmrealtypartners.com).

Very truly yours,  
M&M AT MORRIS PLAINS, LLC
