Re: Yuliano Application, Morris Plains Board of Adjustment Application
42 Dogwood Road, Block 72, Lot 12

Dear Ms. Coffey:

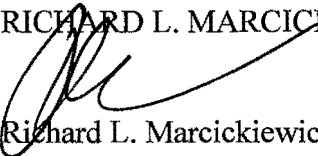

As you are aware, this firm represents the applicant in this matter on an application for variances for steep slopes and as the property does not front on an approved street. Based upon Mr. Smith's telephone conversation with Mr. Hall, I am enclosing a revised Soil Disturbance Application (25 sets) and a letter supplementing the application as directed.

It is also my understanding that Mr. Hall has received the Tax Certification (Item 2 in his letter) and that his comment (Item 5 regarding the Steep Slope Map Details) is reflected in the plans submitted.

It is respectfully requested that based upon the forgoing that the Board consider both completeness and a hearing on the matter at the November meeting by the Board. Thank you for your consideration in this matter. If you have any question, please contact me.

Very truly yours,

RICHARD L. MARCICKIEWICZ, LLC
